Notes:										
The wheel sizes in bold are dedicated to the OEM tires fitment.										
Installing tires of a different sizes than the homologated ones leads to a vehicle irregularity and to possible problems of ABS and TC systems functionality.										
Information to be always mentioned on orders: presence of RDC or TPMS sensors.										
Euro retail prices, free tax, ex-works.										
In-Motion Group srl reserves the right to change prices at any time without further notice.										
KINEO wheels are entirely MADE IN ITALY and protected by the In-Motion Group srl international patent.
